

On or around 3 September 2018 you will receive your electoral registration annual Household Enquiry Form (HEF). This is not a registration form it is a form that enables us to check that all those entitled to be registered appear on the Electoral Register. New residents will then be invited to register. It is easy to complete the HEF. Your form will have a security code which is unique to your property. Have these to hand and if there are **no changes** you can:

## Click
