

FAWLEY  
WATERSIDE

# We invite you to visit our Calshot Village Exhibition.

This winter we invite you to the latest public exhibition for the redevelopment of the Fawley Power Station site.

This exhibition will focus on the development of thirty houses in Calshot Village. There will also be an opportunity to view the latest masterplan & images for the overall scheme following your feedback earlier this year.

Submission of an outline planning application will take place in December.
