The above planning application is within Fawley Parish and will be considered by the Planning Committee meeting on **Wednesday 12 December 2018**. The meeting will start at **09.00** and be held in the Council Chamber at Appletree Court, Lyndhurst.

The Council has a scheme which allows Parish/Town Councils and others to make presentations directly to the Committee before the decision is taken. Strict rules govern the operation of this scheme because the Committee must conduct its business in an efficient way and be fair to all involved. There is a leaflet on the Council website that sets out how the scheme works

<http://www.newforest.gov.uk/index.cfm?articleid=624&articlesection=reldocs>

then click on 'Having Your Say! Planning Committee'. If you would like a copy of the leaflet in a paper form, please contact me.

If you wish to speak or would like further information on the operation of the scheme, please contact the Planning Technical Administration team by no later than 12 noon on Monday 10 December 2018, by email or telephone, using the contact information at the end of this letter.

Please note that the Council will audio-record the meeting and that, under Freedom of Information legislation, third parties may request copies of the recording. Visual recordings may also be made. Parish comments are not normally seen by Members of the Planning Committee unless they choose to view the planning file. If you wish Members to receive any extra information please send it directly to them as we cannot forward them information on your behalf. We would, however, welcome a copy for our files. Please note that the Officer's report and the recommendation to Members will be available on the Council's website from **05 December 2018**, although the printed version can be viewed at Appletree Court, on request, on the afternoon of the day before.

The agenda and list of Planning Committee Members can be viewed on the Council's website www.newforest.gov.uk or at the Council's information offices.

Please follow the link
